# The Lens People

## Professional Wedding Videography

# Since 2016

The Lens People have been providing wedding film coverage to couples across the UK

Olivia Wittet from The Lens People is known for her candid, laid back and unobtrusive docu-style videography. Making her a favoured female videographer in the cotswold area. Providing unique and unforgettable wedding films, both indoors and outdoors.

## The Basic Package

CEREMONY - SPEECHES

£995

Film coverage of the wedding day from the ceremony, through to the speeches. This package includes a Highlights Film of around 10 minutes in length, showing the key moments of the day, edited to music selected by The Lens People.

## The Classic Package

CEREMONY - FIRST DANCE

£1295

Film coverage from the ceremony through to the first dance. This package includes a Highlights Film around 10 minutes in length, edited to music selected by The Lens People. Plus both the ceremony and speeches in full as separate videos.

## The Premium Package

MORNING PREP - FIRST DANCE  
plus 30 mins coverage after first dance

£1595

Film coverage from the morning preparations through to the first dance, plus 30 minutes of coverage after the first dance. This package includes a Wedding Film around 20 -30 minutes in length, edited to music selected by the couple. Plus the ceremony and speeches in full as separate videos, and a next day preview.

# The Basic Package

## FEATURES

One videographer

Coverage of your ceremony,  
drinks reception & speeches

Wedding Highlights Film

music selected by The Lens People

Digital download

CEREMONY | DRINKS RECEPTION | SPEECHES

£995

The Basic Package covers the core part of the wedding day from the ceremony through to the speeches. The footage from the day will be edited into a wedding highlights film, around 10 minutes in length, showing the key moments of the day, edited to music selected by The Lens People. The ceremony and speeches will be filmed in full on multiple cameras, and there will be an opportunity after the wedding day to purchase either, or both the ceremony and speeches in full as separate videos. The couple can expect to receive their Wedding Highlights Film online via Vimeo within 10 Weeks of the wedding day. The vimeo link will be private and will require a password to access the video, meaning your special moments will only be seen by those you share the password and link with. Once the couple confirm they are happy with the highlights film, the video will be sent to the couple as a digital download via WeTransfer,

## CEREMONY TO FIRST DANCE

# The Classic Package

## FEATURES

One videographer

Coverage from the ceremony, through to the first dance

Wedding Highlights Film  
music selected by The Lens People
